

DESIGN

Office romance

We're smitten with these work space sirens

SHINE ON

This lamp by Javier Mariscal has a distinct retro vibe, but if this is what low-tech looks like, we're all for it. 'LoTek' lamp, available from December, by Javier Mariscal, for Artemide, www.artemide.com

ORSON BELLE

A perfectly proportioned desk puts us in the mood for a spot of creativity, which explains the buzz we get from this walnut beauty with cast-iron legs. It's also available in white oak. 'Orson' desk, from £2,802, by Matthew Hilton, for De La Espada, from Skandium, www.skandium.com

HAIR AND THERE

Studio Swine has translated a love for vintage horn-rimmed spectacles into these biodegradable versions made using human hair. Hair glasses, price on request, by Studio Swine, www.studioswine.com

PLUG AND PLAY

The 'Beat' speaker offers wireless 360° acoustics in a choice of four colours. 'Beat' wireless speaker, from £484, by Libratone, www.libratone.com

FRENCH LETTERS

Jean-Claude Paillason's E-ticket font comes in light, regular and bold, with a stencil version on its label. E-ticket font, from C115, by Jean-Claude Paillason, www.editionsousetiquette.fr

DESK JOB

These desk accessories by Pauline Deltour, a former employee of Konstantin Grcic, show great promise. Aluminium desk accessories, prototype, by Pauline Deltour, www.paulinedeltour.com

PICTURE PERFECT

Great ideas will look even more impressive when they're jotted down in these inspirational notebooks. Letterpress Picture Planner, £19.50; Graphic Book Set, £10, both by Present & Correct, www.presentandcorrect.com

ROUGH JUSTICE

Royal College of Art graduate Ariane Prin has turned college waste, such as wood dust, clay bits and flour, into pencils for the rest of the students to use. 'From Here for Here' pencils, prices on request, by Ariane Prin, www.arianeprin.com
